

BATIK

Famiglia di sedute con struttura in metallo verniciato con polveri epossidiche o cromato. Seduta e schienale in legno o polipropilene stampato ad iniezione, disponibile anche nella versione autoestinguente. Nelle versioni stampate in materiale plastico, un elemento imbottito può rivestire schienale e seduta. Sono disponibili numerosi accessori. Ideale per la collettività in generale.

Family of chairs with epoxy-coated or chrome-plated metal frame. Seat and back made of wood or injection moulded polypropylene, also available in the flame retardant version. In the moulded versions made of plastic material, back and seat inners can be upholstered and added for more comfort. Wide range of accessories available. Ideal for public spaces in general.
